# Minerals West Coast 2026 Forum

## Sponsorship Opportunities

**The Trustees of Minerals West Coast are pleased to announce that the annual forum will be held on Thursday, 8 October 2026, at Shantytown, Greymouth.**

We invite you to take part in this annual West Coast extractive industries event.

## Multiple Sponsorship Opportunities at below levels:-

- **Gold — $5,000:** includes three complimentary tickets to the forum and dinner.
- **Silver — $2,500:** includes two complimentary tickets to the forum and dinner.
- **Bronze — $1,000:** includes one complimentary ticket to the forum and dinner.

## Sponsor Benefits

Sponsors will have direct access to West Coast miners/extractive industry representatives plus those attending from further afield throughout this one-day event – an unprecedented opportunity to reach a wide targeted clientele.

Sponsorship exposure includes logo placement on the event "Heroes" board, visibility in the printed programme, and video clips shown throughout the day and evening event.

Display opportunities will include outdoor space for large equipment, indoor kiosk areas, and smaller stands in high-traffic locations where sponsors can engage directly with attendees.

We expect around 300 miners and a wide range of industry related companies to attend, making this a valuable opportunity to showcase your products and services to a targeted audience at a moderate cost.

## Sponsors Breakfast

The MWC Trustees would also like to invite past and present sponsors to a Sponsors Breakfast on Friday, 9 October 2026, at Shantytown, starting at 9:00 am and continuing until wrap-up.

## Next Steps

We look forward to hearing from you and would welcome your early response.
